---	----------------------------	-------------------------------------	-------------------------------------

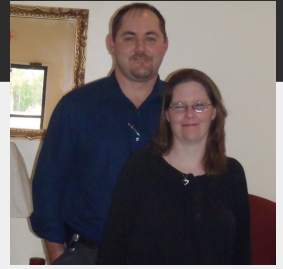

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

First I'd like to give thanks and praise to our Lord Jesus for being with our Church again this year. He is so good and has provided us with the means to continue the operation of our outreach ministries established here in Athens Texas. Although we have seen some of our saints go to Him and we have had several families move to different cities across Texas and other states, and the loss of financial support, we have had exactly what we needed to maintain these ministries and even begin to support a local ministry for pregnant women to encourage them to go through with their before and after care of their child. God is so good! At the end of April we have seen an increase of 5 new members and another family join our Church. As I said: God is good. As we enter the summer months we will find ourselves making some improvements and updates to our Church and Parsonage and surrounding property. We pray for Gods continuing providence and protection as we engage in these activities as we continue to be the Church in our community. We ask for the Districts prayers and thought as we do so. Please remember: We are not like other businesses as long as we remember to be about His business. We love you all and pray for your Churches too! Always go with God, and we will see you on the Kingdom Road. Amen

Bonham Community continues to bless the youth (and many adult women) through our Faith & Formals ministry, which provides dresses at no cost for prom and other formal events. We have also worked hard to ministry to our local 4-6 grade school and donated a gaga ball pit and two "buddy benches" to their new playground. The students absolutely love it!!! We look forward with excitement to what God has for the future.

---	----------------------------------	--	--

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Bruton Terrace is moving forward as we reach our community for the Lord. We intentionally work hard to represent Christ in our community so that others may see Christ living in us. We continue to seek ways to help those in the community. We have partnered with churches, organizations in and around our community. We are serving on the MAB with two local hospitals. We currently have a Hispanic Church worshipping in our facility. We have opened our gym to allow a space for a community basketball team to practice. We continue to distribute groceries. We are grateful for each person that the Lord allow to cross our path that we can help in way of prayer, food, funds, encouragement, etc. We do our best to follow the Lord's plan for His Church as we direct others to His Great Kingdom. We strive each day to become more like Jesus as we allow the Holy Spirit to transform us into who He desires us to be. TGBTG!

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

"Casa de Oración" has taken a step of faith and missionary outreach. We serve our extended community, in Sabinas Mexico, with monthly contributions and volunteers from the brothers, to support 33 children registered in the project that we have called "Blessed to Bless." This is a program (of basic needs assistance) of the future Church of the Nazarene "V.I.D.A" in Sabinas. This missionary work is entrusted by the Local Board to Rev. Juana Quiroga and the missionary team of our church. We thank God for his provisions and for his faithfulness to reach other places with the Good News of Jesus Christ.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

We are firmly committed to helping in our community. This past year, we were able to assist 3,271 families in need of food assistance. We also stationed ourselves at the Bois d'Ark Bash, an annual celebration in Commerce in September. The theme of our table was, "How Can I Pray for you Today?" While there we were able to pray with individuals and families that were in attendance. The gospel was presented during the prayer and we had several come back later to tell us that their need(s) had been met.

---	---------------------------	-------------------------------------	-------------------------------------

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Over the last several years we have joined other churches in the Greenville area to be the hands and feet of Jesus to our community during the first week of June. We will continue being part of this ministry opportunity. We also have a new community being developed a few blocks away from our facilities so we are looking into starting a Mother's Day Out program or a daycare. Currently seeking God's leading and direction while developing a business plan.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Dallas First continues to seek opportunities of involvement in our community. A Neighbor Prayer group continues to meet monthly, to pray for the local school district and city. This group is comprised of different faiths, nationalities, church affiliations, and prayer styles--all coming together with a common purpose and goal. Another weekly prayer times is Thursday mornings in the prayer chapel. We have opened our building to local piano teachers for recital times, and home school collation choir concert. Also opened our building for a community funeral and wedding, and work with the local funeral home to serve families. We have an active Missions ministry, supporting a local ministry focused on rescuing women from being trafficked. Dallas First also supports a robust prison ministry led by a member, initially focused on those serving a life sentence--now providing "hygiene kits". of soap, toothpaste, non-spray deodorant, serving approx. 1000 inmates. We are invited to pray at school board meetings, and city council meeting, as well as throughout the community.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Our mission statement of "Being Christ's Ambassadors to Our World" continues to guide our ministries within the Texoma region. We have focused our efforts and attention on two primary fronts. First are those business leaders and entrepreneurs within the community who are seeking to model Christlike leadership in their companies and corporations. And then also, conduct business in a manner which will glorify and honor God. Secondly, we continue to focus on welfare and well-being of single working mothers within our community. Operating mostly behind the scenes and in conjunction with the local utility companies we provide assistance to those mom's doing their best to tend to the needs of their family, yet struggling to make ends meet due to unforeseen circumstances. While these single mom's are unaware to the entity, they realize that God is the One who is watching over them and providing for them. This is intentional living and serving outside the walls as "Christ's ambassadors".

We have a Cub Scouts troupe that has met at Trinity for the past two years, mostly led by people from Trinity, including the Scout Masters, Tim and Lori Calkins. Many families from outside our church have participated. We have an after-school food program for all Duncanville High School students. The program offers a hot meal and drink every day school is in session. Over 200 students have participated this year. We have quarterly Movie Nights. We invite many people from the community to join us. Seven of our after-school food program students joined us for our last movie night! We have an Open Mic on the first Saturday of each month where we invite musicians to share their talents and everyone to enjoy! We serve a free meal to kick things off. A lot of fun and great music is shared! Our weekly Friday Teen Night draws students from around the community. The teens have a blast and hear God's Word too!

---	---------------------------	-------------------------------------	--------------------------------------

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

We have three ways we are blessing our community: First, we spend each Monday visiting various businesses to get to know them and begin what we hope are long-term relationships where the gospel message and discipleship can occur. Second, we go to the nearby apartments once a quarter and hold a barbeque to bless our neighbors. Third, we pay the monthly rent for our local homeless/home-insecure ministry - we provide food weekly, we attend their events and we pray for them as a Church body. Always we are praying for our local leaders, police, fire, schools and other ministries in Terrell.

Este año ha sido un tiempo donde hemos visto obrar la gracia de Dios, en Marshall hemos desarrollado nuestros estudios biblicos en casa. Los dias domingos lideramos una clase de escuela dominical en español en la Iglesia de Longview , donde hemos visto el crecimiento del grupo, logrando tener 12 asistentes, con un promedio de 7 o 8 personas por semana. Gracias a Dios por la oportunidad de guiar a personas al reino de Dios, hemos visto nacer de nuevo a dos personas y otros reconciliarse con el Señor, tenemos en preparacion cuatro personas para su bautismo. Oramos al Señor para que nos abra puertas y oportunidades para aperturar nuevos ministerios hispanos en esta area del distrito. Alabanzas a nuestro Dios por su misericordia.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

This year we changed the focus of our church. For the 2024/25 church year we are dedicated to being a house of prayer. Monday through Friday we have a prayer walk around the parking lot at our church with prayer requests from our congregation and the community written on note cards. We pick up a card and pray over it as we walk. After a lap, we get a new card. We are working on planning events downtown during festivals where we will have prayer booths and hand out water.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Currently, our church provides clothes and soup to our community at least once a month. Recently, Gladewater ISD voted to transition to a 4-day school week beginning in the 24-25 school year. We are planning to partner with other churches and community leaders to assist parents and students on Mondays (the day students are home). Recently, several homeschoolers have begun attending our church. We are planning to offer our facilities for them to be able to meet in the 24-25 school year. Another church member and I drive a school bus for Gladewater ISD. We also assist in our community's low-income programs (The Manna House) by providing volunteers. Several pastors, including myself, meet with the GISD superintendent regularly to brainstorm ideas on how we can help students and families. God is moving in Gladewater, and we are excited about what He is doing!

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

One of the emphases in our church this year was how Jesus could "guard" your heart and mind. As this relates to discipleship, it is spending time with God each and every day, knowing that He is with you, and having a profound sense of His presence. In a day when we can have anxious thoughts and many ideas competing for our focus, we are reminded that we need not fear, because the Lord cares, he watches over us and he is with us - "guarding" us, prayer is powerful, worry can't change anything and peace is found in a person, not circumstances. Finally we have these words from Philippians 4, "Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."

GSN has continued to be involved with the Church Under the Bridge ministry (now the Park) and will continue to do so. Further, GSN has plans for ministry outreach through the Ministerial Alliance program within the local community. In addition, we are excited to soon be a part of the East Texas food bank mobile pantry that will be set up at the football stadium every fourth Friday, and is partnered with the local Methodist church. GSN has, and always will, done a great job of making itself known throughout the community through participation of local events, such as festival, National Night Out, Trunk 'r Treat, Christmas parades, and other opportunities. The hope and desire for this next coming year is to be more involved in the local schools. I look forward to how God opens doors in this area.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

This past year, we have sought to bless our community and share the hope of Christ through community outreach initiatives such as our neighborhood Fall Festival, 5th Sunday Service projects, and by encouraging and equipping our people to love your actual neighbor - to pour love into the people that God has placed next door to you. God is good, and we've seen His hand at work in His church over the past several months. This year, our aim is to move beyond superficial gestures and find ways to have more meaningful engagement with people in our community. We are planning some neighborhood cookouts and activities that will help us have meaningful, bridge-building conversations... getting to know our neighbor's hopes and dreams as well as their struggles. We believe that ministries that will truly bless our community will grow from these conversations. We're working to shift our focus from gathering (how many, how much) to sending (how far the reach, how deep the impact).

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

We continue the ministry of our Blessing Bags that we give to the unhoused/homeless in our community. We support the work of PATH, an organization of Tyler that serves the economically challenged and struggling families with financial assistance, as well as groceries. We also promote and are involved in the the ministry with the unhoused/homeless through what was formerly referred to as the Church Dnder the Bridge. Due to city enforcement closing off the space under the bridge, we have moved over to the nearby historic City Park. We are looking into partnering with a church right across the street to help us with logistics and indoor space during inclement weather.

---	---------------------------	-------------------------------------	------------------------------------

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

I personally don't have a previous status of the church, I only have bits and pieces of an unpleasant story; I truly don't believe in hearsay stories, so I rather observe and pray; so this year became more of a get to know the congregation as well as getting them to know my wife and me. Dr. Keven and Irving First Church board have entrusted me with this leadership and I am privileged and blessed to say the least; we started to build up the spirit with Joshua 1 about not Standing still and looking back, but to move forward as the work is not finished, learning to stand in the gap for the lost and stand firm and strong for what the Lord has blessed us with; recognizing God in everything we do. This group will survive and thrive to become what the Lord meant it to be in this community, we are progressing toward the goal to WIN souls, and discipling them to grow and mature with God's grace.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Journey measures success in terms of obedience to the Holy Spirit. We actively seek partnerships in our community where we are able to be good neighbors. We have a steady and ongoing relationship with a local elementary school, we care for a refugee family in our neighborhood, and we have a weekly prayer gathering for our neighborhood. All of these and more are opportunities for our church to be responsive to the Holy Spirit as God leads us beyond the walls of our building and into our community.

---	---------------------------	-------------------------------------	--------------------------------------

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Over a year ago, our eleven-year-old daughter Hannah took initiative to start a God's Girls Club. She takes the elementary girls before Sunday School and does a devotion and craft with them. To raise money for craft supplies the girls have a breakfast snack once a month for donation. In our Tuesday morning men's group we have focused on reaching our neighbors and friends for Christ. We pray for the people we are trying to reach and share testimonies of our interactions with them. Since January, we have begun a mission team where we are focusing on our visitors and also have talked about people we are trying to reach for the Lord. God has brought some new young families into the church and we have ministered the gospel to them and are guiding them through a new believer's Sunday School class. We collectively picks up kids for Wednesday night Kids Club. God is moving in the life of our church. People have been saved and are being discipled. We praise the Lord God!

The N/E TX District to inform you about a new Parent Affiliated Congregation (PAC) church plant in Salinas, Mexico, LIFE (Experience Jesus Christ, Intercede for conversion and consolidation, Disciple, Worship) Casa de Oracion, which began meeting: October 2022. Virtual meetings all year round, in 5 small groups, on Mondays, Wednesdays, and Fridays; Thursday ministry to women. This PAC is supported and sponsored by the "House of Prayer"/Casa de Oracion Church in Dallas Please remember in prayer the Ministerial & Leaders Team: Rev. Juana Cayalo (North/East TX District), Rev. Janett Zeballos & Rev. Elizabeth Peña (Volunteer missionaries arriving from Bolivia); Sister Alma Rosa Lara, Sister Juanita Vázquez (pastor in Sabinas) and Sister Leslie Mares. Social Projects include: Pastoral Counseling, "Healing the Wounds of the Heart" workshops for adults & pre-teens, Backpack ministry to children. Sharing resources with the current Bethel Nazarene Church in Sabinas, & participating in activities of Monterray (Mexico) District. Currently has 52 converted people among Children, Youth and Adults. Long term vision: purchase a lot of land to build a church for this new congregation

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Lone Star Cowboy Church of Collin County is dedicated to being Christ in any way we can in our community. We have multiple events that encourages the people in our community to participate and be accepted through the love of Jesus that we share. We do so through our Extravaganza, VBS, Founders Day, Truck n Treat, Skeet shoots, various arena activities, live nativity, Cowboy Christmas Ball, and all our special services. We also support our school district in many ways. We have a team of volunteers that build wheelchair ramps and other necessities for those in need. We have a food pantry that is very well supported. We also have the city of Nevada leadership meeting held at our church. We also provide Christmas gifts to hundreds of needy children in our area. We are also looking to find new ways to provide, support, and encourage people in our community.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

This past year we had our first VBS, which not only blessed our church with some growth in our children's department, but also we were able to start a youth group. Double Blessing! We have been involved in our community through partnership in the ministerial alliance by hosting events for the community of Whitesboro. Because of their faithfulness to LORD and the word their testimony, a couple from our congregation has started and continue to lead a Grief Share Ministry to create community for grieving folks and give Biblical wisdom in managing grief.

---	---------------------------	-------------------------------------	-------------------------------------

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

We are starting up two horsemanship programs that were having some success, and looking into a new horsemanship program that if we are able to start it, could have some better potentials for church growth. We are also anticipating a new residential development outreach into two new housing projects underway near us. The re-start horsemanship program was successful on a community level for a long time. It is an weekly class for mentally and physically challenged riders done in conjunction with a local dayhab. It is very popular and well attended, although at this time it has had no church growth outcome and only a \$5,000 grant income. The other re-start has had church attendance benefits and has brought a few people into the church with a weekly community horsemanship program. Both were suspended due to instructors return to work schedules. Another program is being planned that may be implemented with an outreach to local school kids.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

2023 has been a year of spiritual formation at Lone Star Cowboy Church of Navarro County! We have seen a real movement of the Lord in the Children, youth, and adults! Children and Youth camps provided dynamic worship enabling our kids to have their own authentic encounters with the Lord and drawing our teens closer together. Take America Back to God (A 5 church commitment to making a change) events. Responding Recovery Ministry meeting on Thursdays night at the church is facilitated by Pastor, Jerry Liversage, who has his doctorate in drug and alcohol recovery. Girl's Camp camp will use horses to help the girls understand God's love for them as they care for the horse. They will also focus on character building, community projects, building friendship's, and equine skill building. One minute Devotionals - Lone Star is doing 1 min devotions every week that is played on the local country station. Some of the topics of the devotions are; marriage/relationship formation, healthy thinking, and encourage the lost to find their peace in Jesus.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

This has been a very rough year for MCC. We have had numerous setbacks and issues, however we continue to press on. We have joined the Chamber for Marshall, TX and that has been a blessing. We had roofing issues as it pertained to the steeple and that is now gone. We continue to have successful outreach events and opportunities at MCC and now we also have some new families that are engaged and wanting to reach out with us and our MCC family. Overall, we are doing what God desires for us now we will wait on Him and see what the future brings.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Our "Elephants Are Real" church re-vision caused us to do things very intentionally. A strong focus on young families helped us develop "Middle Ground" a monthly fellowship for families with children. A new playground and fence now stands where the old one had become dangerous and an eyesore. It has become the calling card of the church. Parents and grandparents mingle near as children enjoy the playground with their friends before and after church. Bible Quizzing was a new ministry this year where we had six families with nine children attending the district quizzing. Three families have been supported by the Church who have successfully beaten life altering addictions and have been reunited with their children. A Women's Conference, "Reset Into Victory" gave us a boost this year with 58 in attendance. We had an all church Youth worship where 16 teens were baptised. A Sunday evening concert with DAMAC brought 250 youth from 5 churches. The altars were full, spilling into the gym.

The Mineola Church is enjoying the presence and partnership of the Holy Spirit. Our worship services are filled with joy and love. We have baptized 10 people this year. We are reaching out to our community through a weekly food bank, and we are soliciting prayer needs from the patrons. We are also holding a weekly service for hungry/ homeless people in Tyler providing food, clothing, music and a message of hope and transformation. We are joined by a few other Nazarene Churches, as well as people from other denominations. We are taking The Light of God to dark places! Our church is growing stronger as we strive to be the Hands and Feet of Jesus! It is exciting to be on the battle front!

---	---------------------------	-------------------------------------	-------------------------------------

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Mt. Enterprise Church is reaching out to the community in a variety of ways through the local 4H chapters, Girl Scouts, FFA, and other school related activities. Many of our congregation are involved in coaching, or helping coach little league baseball and other activities within the community. The church is planning a back to school cookout, Hanging of the Green program @ Christmas, and we always sponsor a sunrise service at Easter in which we always invite the community to all events and activities.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

We are currently walking the church through the Blessing Our Community Sermon series as a part of the half-million mobilization project. Our church has become very responsive and are beginning to be more intentional about their interactions with others. They are sharing stories of practical things they are doing to reach their neighbors. We are discovering together who our community target is and what needs we can reach in our community. We are looking for projects as a whole church to become involved in. We are scheduling rotating community block parties to meet families in the neighborhoods of our church members. We are also planning work projects at some of the homes of needy families in our community. As a church we are growing and learning how to look beyond our own walls.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Our church is moving forward. We began a ministry helping families in the Elementary School in Blossom. We provided warm clothes for students and bedding for a family after a fire. Our attendance is growing and hearts are being changed by the power of the Holy Spirit! We bought another parsonage and have the original one up for sale. We are starting a ministry for 55+..

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

During the pandemic, we shortened the music section of our worship service and added in a conversational piece that would lead into the sermon. We felt like this was allowing us to connect with each other more than facing a screen and singing. This has worked so well, we have continued it in our time of worship post pandemic. God is blessing our time together and deepening our relationships with each other and Him.

---	---------------------------	-------------------------------------	-------------------------------------

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

For almost a decade and a half, the Lord has blessed the ministry of Nexus Community. Our people have lived and worshiped as neighbors to the poor living near Forest and Audelia in northeast Dallas. At times, the Lord has called us to be a haven for neighborhood children and, at others, a waystation for immigrants from Afghanistan and Iran. Our worship services sometimes resounded with children's laughter and, at others, Farsi praise music. We walked alongside people struggling to make ends meet, providing vehicle and rental assistance, furniture, ESL education, groceries, diapers and wipes, and more. Although our congregation recognizes that our ministry nears an end, we look forward in hope with all of Christ's church to our true and final end, entrusting the souls the Lord placed in our midst over the years to his loving care.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Our mission at Ovilla Road is to Do Life Together. We strive to be a place of gospel community where we can encourage one another and allow God to use us in the life of others as well. Even though we are a small church we aim to make a big impact in our community. We had a booth set up at our annual back to school bash this past school year which allowed us to pray for, encourage, and connect with students and their parents. Handing out over 250 life books and Jesus Film DVDs to families. During this time we were also able to provide the snacks and breakfast items to returning teachers at Red Oak Middle School. In February we became a host site for a pop up food pantry and have helped provide food for 40-50 families each month. This has also given up opportunities to pray for families while they are here and show that we love and care for our community. Our revamped daycare under new leadership has been a blessing to our community. The new atmosphere, attitude, and commitment has our community right in the crosshairs of everything we do at Ovilla Road Church of the Nazarene. We have more community driven and inspired plans in the future that we are looking forward to seeing how God is going to bless the community with

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Tracey and I have been here since October 22nd. We immediately felt Holy Spirit when we visited and once we arrived. To say this has been a challenge thus far would be an understatement. Our first Sunday after my installation i believe there were 8 people with us that morning, it remained that way for a while. But with support from our core group and diligence we are slowly beginning to reap a harvest. We have 2 new members joining the church and several others interested. Praise God for His faithfulness to those wo are faithful to Him. In the coming weeks I will be meeting with the new board and discussing some ministry opportunities with them and am praying that we can begin some outreach projects soon. We have been blessed but we know God is in control and is not done here yet. I would like to thank you and the district staff for your support and guidance we are truly blessed to be a part of this family. Pastor James Philen

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Our mission statement of "Being Christ's Ambassadors to Our World" continues to guide our ministries within the Texoma region. We have focused our efforts and attention on two primary fronts. First are those business leaders and entrepreneurs within the community who are seeking to model Christlike leadership in their companies and corporations. And then also, conduct business in a manner which will glorify and honor God. Secondly, we continue to focus on welfare and well-being of single working mothers within our community. Operating mostly behind the scenes and in conjunction with the local utility companies we provide assistance to those mom's doing their best to tend to the needs of their family, yet struggling to make ends meet due to unforeseen circumstances. While these single mom's are unaware to the entity, they realize that God is the One who is watching over them and providing for them. This is intentional living and serving outside the walls as "Christ's ambassadors".

RUCC is constantly reviewing ways to improve seekers experiencing God as they come through our front door. However, RUCC realizes that we can have a huge impact on people seeking to come in through our BACK DOOR. The arena is the BACK DOOR to RUCC which allows for the attraction of more people on property to experience rubbing elbows with RUCC members. This is a very non-threatening avenue by which new seekers get a taste and view of who we are as individuals in an environment that exposes them to a very "even floor" rather than in the church building where people can feel inferior, unaccepted and unprepared. RUCC is working toward improving our arena with an outdoor cooking area, covered seating for picnics and functions in the arena area. RUCC is working toward having the entire arena covered to allow for more activities unhampered by uncooperative weather. RUCC has also allowed an individual to place a firework's stand on property to aid in attracting people to RUCC.

Soul Flight Ministries - Nazarene Compassionate Ministry Center Isaiah 43:19 See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland. Soul Flight is thrilled to announce that God is, in fact, doing a new thing within our ministry! We are now in partnership with The Heights of Ellis County. The Heights is a designated "Family Justice Center" affiliated with the global network known as "Alliance For HOPE International". The primary objective of The Heights is to serve and advocate for victims of domestic violence. It is a multi-agency facility that works in conjunction to provide an array of services for its specified clientele. What makes The Heights unique is, that out of the over 300 global centers (150 of which are in the United States), it is the first faith-based center in the world! This is a perfect fit for Soul Flight's Christ-centric view of recovery. We are honored to be providing resources and housing alternatives for those affected by chemical dependency on the campus! ----- Soul Flight Ministry is a Christian based recovery/discipleship program for women who struggle with chemical dependency, domestic violence, homelessness, and emotional/psychological disorders (dual-diagnosis). Our educational, structured, and safe environment enables growth within the spirit, mind, and body by incorporating: -Pastoral recovery/discipleship counseling -Christian based peer mentoring -Biblical curriculum with a specific focus on "Covenants" and their relation to freedom and slavery. Emphasis is also placed on the New Testament concept of God's "Agape" love, and it's supreme place within our hearts for ultimate purpose and satisfaction (Matt. 22:36-40, 1 John 4:8). -Mandatory church attendance on Sundays -Christ-centric 12 Step group meetings and individual study

This year we celebrate our 100th anniversary. We are organizing special events for each month and advertizing on the local radio station to invite the public to our events. There is not much interacting within the community at this time, however, these events are opening the eyes of the congregation to the need outside the walls.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Texarkana First is looking forward to working where God is working in our community. We have been reaching the community around the church by having annual trunk or treat events and Easter car hope events. We have had some positive reactions from people in our community who are so thankful that we share the resurrection story with their family and give them a safe environment to bring their kids. It feels our hearts with joy to see the hope we are providing to our surrounding community. We are planting seeds that we pray will one day sprout and become a child of the living King. Several people in our congregation volunteer at non-profits in the community. We are praying that God will give us the vision to further His kingdom in the community around Texarkana First. God is doing some great things in the community and we want to be a part in what God is doing. Praise be to God and our Lord and Savior Jesus Christ!

The N/E Texas district is pleased to support this Parent Affiliated Congregation reaching out to the Congolese - American community. This church plant is one of the few French-speaking Christian congregations in the Dallas Metroplex. We envision this fellowship becoming a thriving church home where Congolese Christians can carry out the Great Commission to the growing Congolese and mid-African community in the Dallas metroplex. We believe God wants the next generation of these families to be equipped for life-long discipleship and ministry.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

It is amazing to see how God moves in His church. We continue to thrive in what He does through the many ministries here. Volunteers from outside the church that help with the food pantry, and the many families that are touched through that ministry. It is great to be part of a church where so many folks are willing to work and not just attend. I find myself humbled each week as I stand before such a great group of people to share the word of God.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Our church definitely has a heart and a desire to bless our community. We have reached out to two local schools with different support avenues. Food Distribution with a partnership with Manna House. We have worked to bless families both within our congregation and outside our congregation with support through financial assistance, wedding and funeral services and hospital calls. We are seeking ways that we can expand our efforts with community outreach events and personal connections to bless and minister to individuals and families.

Please tell us how your church is now - or plans to bless your community by reaching out beyond the walls of your church: how are you interacting with your community?

Our Nazarene congregation in Tyler, TX, every year we have great challenges. But God has always been faithful and we never tire of preaching the message of Jesus and a holy life before God.

“THIS, THEN, IS HOW YOU SHOULD PRAY:

‘OUR FATHER IN HEAVEN, HALLOWED BE YOUR NAME,
YOUR KINGDOM COME, YOUR WILL BE DONE,
ON EARTH AS IT IS IN HEAVEN. GIVE US TODAY OUR DAILY BREAD.
AND FORGIVE US OUR DEBTS, AS WE ALSO HAVE FORGIVEN OUR DEBTORS.
AND LEAD US NOT INTO TEMPTATION, BUT DELIVER
US FROM THE EVIL ONE.’”

MATTHEW 6:9-13
